Mountain States Journalists at BYU for Weekend Confab

Mountain States Journalists are expected to attend a weekend conference at the Brigham Young University Press, Northridge, Utah, on Friday, April 27, and Saturday, April 28. The conference is being held at the University of Utah, Salt Lake City, Utah, on Friday, April 27, and Saturday, April 28.

Candidate Asserts Misrepresentation

Pat Strong, candidate for student body president, has asserted that the press has misrepresented his views on the University of Utah. Strong, a senior at the University of Utah, Salt Lake City, Utah, has been running for student body president since the beginning of the year. He has been accused of misrepresenting his views on the University of Utah. Strong has denied these charges and has asserted that the press has misrepresented his views on the University of Utah.

Juniors Take Lead In Votes

by Sandy Hollman

STUDENTS OF Brigham Young University are striving to break their established 42 per cent voting record in this second and last day of voting tomorrow.

It is believed a national college record will set for today's participation when 42 per cent of the studentbody voted in the early elections. The record has not yet been challenged.

By press time Thursday the junior class was ahead with 11 per cent of the votes having voted. Sophomore class was tied with 8 per cent having voted, and seniors and freshmen were a second and third respectively with 14 and 12 per cent of those counted having voted.

ACCORDING to an agreement made between presidents of the four classes, the two presidents in their classes will be "bused" to wear the clothes of a very young child, once Thursday.

With a driving campaign the Student Committee has been urging students to get in the polls, and vote.

Students were placed on top of buildings, all people to vote and cards have been passed out with the slogan "Our 36 Class Is You at the Poll." In order to persuade students to join the record made last spring quarter.

IN THE Thursday assembly candidates gave a final appeal to the studentbody concerning their qualifications and plans.

Before the candidates spoke, Bill Tinger, studentbody representative, said it should be a matter of honor and concern for the student body to vote.

He stressed the reason why the students in the studentbody will not actually be the people they thought would be the best pick.

Tinger urged students to choose candidates carefully because their choices mean a great deal to the future of the University.

He stated that they are people who will represent the future of the University and that they are people who will be able to lead the University.

IN HIS FINAL talk, Monroe McKay, candidate for student body president, expressed gratitude to the studentbody for being able to run in the final election, and promised 100 per cent support to the winning candidate, although he would be disappointed if that person were not himself.

McKay also said a candidate for studentbody president should be felt humble being a candidate for such an office and that he would work to the best of his ability if he were elected.

McKay also pledged to support the winning candidate and to work more closely with the student body to be sure and vote.

Results of Election To Be Announced At Inaugural Dance

Frosh Halfback Sparks White Team To 40-10 Triumph Over Blue Squad

by Ken Clayton

Universe Sports Writer
COACH HAL KOPPA "new" edition of the Brigham Young University football team was unveiled Wednesday night in suspicious fashion as the White squad romped to a 40-10 win over the Blue eleven before 6,500 satisfied fans.

The squads engaged in a hard-hitting wide open tangle that drew raves from the Cougar faithful and promised a new era in BYU football features. The only factor marring the otherwise exciting contest were the eight Blue fumbles which cost them the ball game.

A pair of Arionas halfbacks, Weiden Jackson and Ken Jacobson led the White assault on Jackson scored four TD's, while Jacobson earned the goal line extra. One of Jackson's runs was a scintillating 93-yard punt return to open the scoring.

QUARTERBACK by Carroll Johnston, the White team showed brilliant power with the performance of guard Jay Weeden, who booted four extra points and ends Ray Neel and Tom Clark, who excelled on offense and defense.

Leading the Blues was guard Paul Zekel, who was the best all-around performer on the

field. The McLeod, Oregon guard received considerable help from fullback Steve Campbell, center Bob Olson, halfback Al DeCora and quarterback Don Deora, who was injured early in the game.

A 59-YARD punt return by Jackson and the scoring under way, which was featured by three beautiful blocks, the last of which broke Wayne Ash eliminate the last two Blue defenses.

Late in the first quarter, Dixon led halfback Ray Jones with a bullet pass, and Jones scored all the way on a brilliant 62-yard pass play.

The game opened midway in the second frame when Weeden recovered a Blue fumble on the lower 21. After Jackson and Jacobson continued for a first down on the 12, Jackson scooped around left end on a statue-of-liberty reverse for the second White marker.

THE WHITES increased their halftime margin to 19-6 after Neel pounced on another Blue fumble on the White 35-yard line. Johnston led the White march downfield on nine fine jump-pass plays to Clark and Neel. Neel drew plays with Jackson and Jacobson carrying Clark, who shot over from the 10-yard

line on a quick drive into the Blue line. Weeden added the extra point.

Following the halftime show, which featured introduction of BYU football guests from Schorndorf, Parma, Ohio, and her two attendants, LaDeane Olson and Karen Olson, both of Provo, a show by the Hawkwood Club, and the unveiling of the new BYU Flag Twirling group, the Whites picked up where they left off.

POUNCING on a Blue fumble, the Whites drove downfield to increase their lead to 28-6 on Jacobson's touchdown and Weeden's placekick. The Blue eleven struck back and scored on a pair of screen passes from John Rooker to DeCora.

Not to be denied, the Whites scored again in the third period on a twisting 33-yard run from punt formation by Jackson, which run was aided by effective blocking by the White club. Again Weeden converted the point, ending the period with the Whites holding a 33-12 lead.

The first White touchdown was scored by Johnston on a three-yard keeper play over right tackle. Weeden's placekick closed the scoring, as the Whites' tactical, which left fans believing that the "new look" in BYU football was a thing of reality.

Cats Must Win To Stay In League Race

by Howard Hill

Universe Sports Writer
"DO OR DIE"—that's what it will be for the Brigham Young University baseball team Friday afternoon as they host Utah State in a double-header at the Timpagorah Ball Park beginning at 1:30.

This will probably be the Cougar's last chance to step in to a challenging role for the Western Division title. The Cats have won only one of their first four games. The BYU nine opened their league play with two games series against Montana, splitting with the Seabrooks. However the next week the Cougars dropped both ends of a two-game series to Utah.

FOR FRIDAY'S twin-bill coach Wayne Tucker will start Benny Madsen and John Blair Madsen was the losing pitcher in the Cats first game with Utah Blue perhaps in the steadfast pitcher on the BYU roster staff. The California right-hander has that top earned run average on the Cougar staff, has turned in 14.8 in the high and has a 24.9 in the low hurdles.

Saturday has been designated as an official sports day by the Pep activities committee and students are especially urged to attend the meet.

Tucker says his boys have to win Friday and all his pitchers are ready for action.

Madsen will probably throw the seven inning opener, and DeLoe Lewis will probably handle the catching chores. Either Tom Phillips or Ron Lenford will hold down first base, Paul Hayne will be at second.

First Conference Meet...

Montana Brings Green Squad Here Saturday

MONTANA GRIZZLIES of Yale-Brigham Young University Saturday afternoon at 12:30 for the season's first conference track meet.

Coach Clarence Robinson's Cougar thrashers won their nine conference meets against New Mexico University, University of Arizona and Arizona State adding to the winning streak that was started last year. The Grizzlies, facing under adverse weather conditions, have been showing up fairly well in their time trials.

Leading the Silverites into Utah will be Captain Walt Lerner who will compete in the events, broad jump and center over discus championships.

GRIZZLIES coach Harry Adams has a current rebuilding job with the loss of sprinter Don Brant, conference record holder in the 100 yard dash and the top 220 man in the league. He is also missing Connor Gray, a top hurdler, and Fred James, one of the better milers in the pool.

The nucleus of the squad is made up, twelve returning lettermen, including Lerner and Sheriff.

A NEWCOMER who has looked good in time trials is Dale Shupe. Shupe ran the 440 in 1:08.8 seconds Ken Nelson, last year's

intercollegiate record broad jumper will be competing in the sprint and broad jump. Also looking well in practice sessions is Dan Magaddal, a half-miler.

For the Cougars, who are still riding in various departments, the meet should be a breather before the Utah outing next Thursday.

SHERALD JAMES may not run Saturday due to an injury suffered in last week's BYU in sectional meet. Walter Jackson, Utah shot hurdler, is still on crutches.

Harry Anderson turned out the outstanding practice times of the week when he turned a 9.6 and 9.7 respectively Wednesday afternoon.

Also expected to win their events are Ralph Hanson, who cleared 5 ft 7 inches in the high jump last week, and Arlyn Paulson, who will stick to the 440 after setting a new record in the half mile last Saturday.

MONTANA'S Lerner has a 10.8 flat 100 yarder and a 21.8 flat 100 yarder, current top hurdler for the team, has turned in 14.8 in the high and has a 24.9 in the low hurdles.

Saturday has been designated as an official sports day by the Pep activities committee and students are especially urged to attend the meet.
